Get the full wine experience by understanding how your palate works:

Any time you try wine, take at least a tablespoon of wine, put it in your mouth and coat your palate, count to at least 5 and see how the flavors develop on your palate and how much flavor they will release. Unleash the pleasure on your palate by giving it some time.

Footnote: VW and Mercedes are both German made, both cars, yet they are a very different ride. VS will bring you on the Mercedes side of wine enjoyment. :)
